PROFESSIONAL SUMMARY

Digital Marketer with a strong data and quality assurance background, bringing a structured, detail-oriented approach to marketing analysis and execution. Experienced in interpreting data, tracking performance metrics, and identifying trends that inform decision-making. Currently building hands-on skills in social media marketing, paid advertising, SEO, and analytics, with a strong foundation suited for supporting marketing teams and freelance clients focused on measurable results.

WORK EXPERIENCE

DIGITAL MARKETING GRADUATE.

Generation Ghana,

MAY2026 – AUGUST 2026

- Built foundational skills in SEO, social media marketing, paid advertising, email marketing, and analytics through practical training and projects.
- Developed and presented data-informed marketing campaign plans, improving understanding of campaign optimization and performance tracking.
- Analyzed campaign results to identify improvement opportunities and support data-driven recommendations.
- Collaborated with cross-functional teams on group projects, strengthening communication, problem-solving, and client presentation skills.
- Adapted quickly in deadline-driven environments while delivering structured, insight-focused marketing solutions.

GREENFIELD FARMS COMPANY LIMITED

CENTRAL REGION

JAN-2026 - MARCH 2026

- Analyzed and documented 100+ test records weekly, improving data accuracy and consistency.
- Identified recurring data irregularities, supporting faster issue resolution and improved reporting reliability.
- Maintained 99% data accuracy through structured quality checks and validation processes.
- Produced detailed reports used for operational decision-making, strengthening analytical and insight-generation skill.
